COMMERCIAL PROPOSAL
REF: VDVC-PRP-CRISPAN-26
DATE: NOVEMBER 2026

PROPOSAL FOR: CRISPAN SUITES & EVENT CENTER

WEBSITE REDESIGN & DIGITAL UPGRADE

01 // WHO AM I?

STEFAN · VDVC

My name is **Stefan**. I am a web developer in Jos. I run a Design Agency—**VDVC** (not yet registered in CAC). I am a 4th year Electrical & Electronics Engineering (EEE) major at the University of Jos.

02 // THE PROBLEM

1. The current Crispan Website is too old for this modern era and future guests will certainly applaud any steps at improvement and modernisation.
2. Stefan also needs real-life projects on his resume to get higher paying remote jobs.

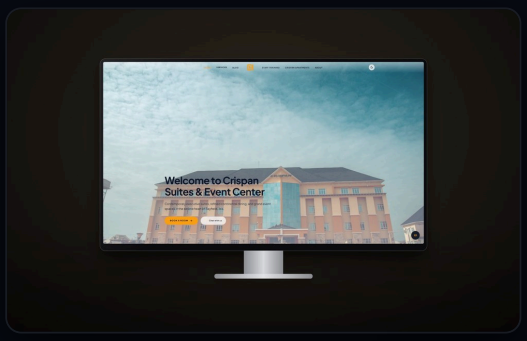

> He's broke (needs money for school, lifestyle and his future girlfriend).

03 // THE PROPOSAL & WORKING PROTOTYPE

MODERN AESTHETIC & HIGH FUNCTIONALITY

A complete website redesign that is significantly more pleasing to the eye than the existing portal and is deeply functional above all.

- **Luxury Visual Hierarchy:** Crafted to showcase Crispan's executive suites, banquet halls, and hospitality prestige.
- **Integrated AI Concierge:** AI ASSISTANT Automated guest assistance, room FAQs, and amenities guide (attracts extra cost).
- **Mobile-First Speed:** Ultra-responsive booking pathway optimized for high conversion on smartphones.
